X 'MY FEELINGS MATTER'

The interactive school visit not only allows children to connect with Darla's emotional journey but also equips them with essential tools to navigate their own feelings. The session aims to create a supportive environment where emotions are valued, empathy is nurtured, and positive self-talk becomes a powerful resource for emotional well-being.

THE PRESENTATION UNFOLDS IN SEVERAL KEY SEGMENTS:

- Introduction
- Interactive Storybook Reading
- Discussion on Emotions
- Positive Self-Talk Affirmations
- Interactive Activity
- Closing Thoughts and Q&A

WHAT IS 'MY FEELINGS MATTER'?

In this engaging presentation, Dominique delivers a heartfelt message using fun, interactive storytelling techniques. The focus of the presentation, titled 'My Feelings Matter', revolves around the significance of acknowledging and processing a child's emotions for healing.

The interactive school visit is designed to help children connect with Darla's emotional journey in 'Darla Misses Daddy'. Through this session, children not only empathize with Darla but also grasp the essential lesson that their own feelings hold significance. The overarching goal is to establish a safe environment where children can freely express their emotions, develop empathy, and acquire positive self-talk strategies to manage feelings of sadness and loss effectively.
