IS AVAILABLE TO VISIT YOUR CLASSROOM, LIBRARY,
OR SCHOOL ASSEMBLY!

DOMINIQUE E.. SAVAGE M.ED. is the author of children's book *'Darla Misses Daddy'* which follows a small girl who is struggling with the loss of her father. Through this tale of grief, Dominique's goal is to help children experiencing the loss of a loved one and to guide them through their healing journey. *'Darla Misses Daddy'* was recently featured in Black Children's Book Week.

Dominique delivers this heartfelt message through fun, interactive storytelling. The presentation *'My Feelings Matter'* focuses on a child's emotions and that it is important to feel everything in order to heal.

Through this interactive school visit, children will not only connect with Darla's journey in *'Darla Misses Daddy'* but also learn the valuable lesson that their feelings matter. The session aims to create a safe space for expressing emotions, fostering empathy, and empowering children with positive self-talk tools to navigate through sadness and loss.

Dominique will provide her services for one hour and include one **Heal With Darla Bundle Kit** (pictured on the left) which includes:

- A signed copy of children's book 'Darla Misses Daddy'
